Pennsylvania Speech-Language-Hearing Association Convention

REVOLUTIONIZE YOUR PRACTICE

APRIL 12-15, 2023

King of Prussia, PA

A Message from PSHA's VP for Convention Planning and Program

Get ready to ***Revolutionize Your Practice*** at this year's PSHA Convention April 12-15, 2023! We are excited to return to King of Prussia in the newly renovated Valley Forge Casino Resort. The Convention theme, inspired by the region's rich history, will challenge us to consider new ideas to propel our professional practice into the next era.

Thank you to everyone who submitted a call for paper. There is already quite a buzz of excitement for the program. The number of sessions in the adult and multi-interest tracks is much higher than in previous years, and the range of diverse and progressive topics will appeal to professionals in all work settings. Importantly, sessions were carefully scheduled to minimize overlap of time and topic, which will allow you to maximize your opportunity to earn continuing education hours.

The student track is underway and will provide unique opportunities for undergraduate and graduate students to learn and connect. The student reception will promote advocacy and engagement, and students will be coordinating a donation drive for a non-profit organization.

New this year! Want to be the PSHA VIP? Enter a raffle to win a free registration and accommodations in the hotel Presidential Suite! Tickets are $15 and can be purchased on the PSHA website or at time of registration (winner will be pulled on the last day of early bird registration).

Stay tuned on all social outlets and the PSHA website for updates on the Convention, speaker highlights and details about fun events!

Can't wait to see you there!

Mary Weidner, PhD, CCC-SLP
PSHA Vice President for Convention Planning and Program

Please visit www.psha.org to see session abstracts and learner outcomes for all sessions, highlighted presentations and poster and technical sessions.

Calling All Students

The student track will consist of several sessions just for students! Develop your resume and cover letter writing skills, gain tips from current graduate students and new professionals and participate in a knowledge bowl! In addition, all students are invited to attend the student reception, which will be an advocacy event (with free food)! Students will have the opportunity to network and engage with legislators about important topics relevant to speech-language pathology and audiology. Don't miss it!

Student Drive: Always B Smiling

Always B smiling

This year's Student Drive is supporting the non-profit organization, Always B Smiling, located in Pittsburgh. Always B Smiling strives to create smiles for children, teens and young adults with disabilities and health challenges and their families. Stay tuned on social media for a list of items needed @pshastudents and @pshaweb. The university that donates the greatest number of items will be recognized at the Student Reception!

Check the schedule on the PSHA website, www.psha.org, for more exciting Student Track offerings.
