

CREATING A VIBRANT PROFESSION

PITTSBURGH 2024

April 10-13, 2024

Sheraton Pittsburgh Hotel at Station Square

A Message from PSHA's VP for Convention Planning and Program

"You need to let the little things that would ordinarily bore you suddenly thrill you."
– Andy Warhol

The 2024 Convention, ***Creating a Vibrant Profession***, will harness the spirit of renowned artist and Pittsburgh native, Andy Warhol. It will be a time to think differently, embrace creativity and infuse our clinical practice with innovative ideas.

Our program is booked solid! The adjustment in length of sessions (30 minutes, 1.5 hours and 3 hours) allowed for no overlap of sessions which will allow you to maximize your opportunity to earn continuing education credits! In response to member requests for more advanced sessions, we will be offering a series of Master Classes as well as featured sessions on topics related to the work of our PSHA Committees.

We are thrilled to introduce an Early Career Track, which will highlight topics relevant to clinical fellows and new clinicians. In addition, we will offer two professional lunch and learn discussions. This year, our professional roundtables will be held Thursday afternoon to encourage collaboration and networking with colleagues from across the state. We will continue to offer a wonderful student track and reception, President's Reception, two days of poster presentations, exhibit hall and plenty of time to connect!

We are confident that you will enjoy the new upgrades to the hotel as well as the many attractions in the area. Stay tuned on all social outlets and the PSHA website for additional details! We look forward to seeing you at the Sheraton Pittsburgh Hotel at Station Square, April 10-13, 2024!

Calling All Students

Calling all undergraduate and graduate students! We are excited to offer many learning and networking opportunities tailored just for students! The student track has many sessions that focus on topics such as getting a job, negotiating, workplace settings and more. We are also bringing back the Student Trivia Bowl this year! The advocacy and awards event, **sponsored by Salus University**, will be held Thursday evening. Thanks to the support of our Governmental Affairs Committee, you will have an opportunity to meet and learn from a local legislator involved in improving public policy issues relevant to speech-language pathology and audiology. Awards from the advocacy campaign will be presented with monetary prizes for the winning chapters! And of course, there will be free food! Stay tuned on Instagram @psastudents for updates. We can't wait to see you there!

Maggie Merk, Student Representative and Madison Hoffman, Student Representative Alternate

Student Drive

This year's student drive will be for the Mid-Atlantic Aphasia Conference organization. This organization supports people living with aphasia and their loved ones through support, education and outreach. Additional information about ways to donate will be announced on social media and throughout the Convention.

Check the schedule on the PSHA website, www.psha.org, for more exciting Student Track offerings.
